December 23, 2013 Polar Adventures

Are you ready to go on a polar adventure? Join Zoo Atlanta as we learn about animals that live on icy tundras. From polar bears to penguins, we will learn about some of the adaptations these animals have that help them to survive.

December 24, 2013 Bear Necessities

From grizzlies to sun bears, we will learn about all the different types of bears and their characteristics.

December 26, 2013 Wild about Pandas

Joins us as we learn all about China's national treasures, and find out what Zoo Atlanta is doing to help these awesome animals.

December 27, 2013 Carnivore Carnival

Join us as we go on the prowl for carnivores. We will learn about what characteristics make an animal a carnivore.

December 30, 2013 Feasts of the Beasts

It's dinnertime at the Zoo! We will learn all about what types of food the animals at the Zoo love to eat. No worries…campers are not on the menu!

December 31, 2013 Planet Heroes

Are you a planet hero? Join Zoo Atlanta as we learn how small changes can make a big difference to help our planet and its inhabitants!

January 2, 2014 Bugging Out!

What is the difference between insects and bugs? What is an arachnid? Find out the answers at this exciting day camp as we learn what characteristics make these creatures different and unique.

January 3, 2014 Marsupial Mayhem

We are going marsupial crazy at the Zoo! From kangaroos to wombats, join us as we learn all about these wonderful creatures.

January 6, 2014 'Cat'-itude!

This is the purr-fect day camp to learn about the wonderful world of cats. From tigers to lions, we will learn all about these amazing felines and how they compare to their domestic cousins.
