

Zoo Atlanta

School's Out Camp 2015-2016

Date	Theme	Description
September 7, 2015	Natural Jobs	Animals have jobs too! Learn all about the different professions our natural pals have in the wild.
October 9, 2015	Color Change	It's that time of year when everything outside seems to be changing color. Did you know some of our animal pals can change color, too? See if you can spot the differences as we learn about camouflage and coloration!
October 12, 2015	Animal Rulers	Who's in charge in the animal world? Spend the day finding out as we explore hierarchies of nature.
Thanksgiving Week	Dinner is Served	It's time to eat! Give thanks with our critter pals while we learn what their perfect dinner would be!
November 23, 2015		Carnivores
November 24, 2015		Herbivores
November 25, 2015		Omnivores
January 18, 2016	Conservation Status	There's so much you can do to help our animal friends. We'll talk about the different ways you can help every day and just how easy it can be!
February 15, 2016	Snow Games	We might not get the same amount of snow they get up North, but we still have animals that love the cold. Learn what animals like to do when the snow starts to fall.
