ZOO ATLANTA

Adventure Cubs Information Packet

Calling all Adventure Cubs, ages 0-5, and their favorite grownups for a morning of exploration, learning and fun! Embark on a new journey each month with a Zoo Educator as families get to learn and play together. Spend time in the Zoo observing animals and taking part in engaging activities. This is a great opportunity to make friends, connect to wildlife, and spend time with your little explorers outside. All topics and activities are designed for ages 2-5, with opportunities for exploration for ages 0-2.

Every month, the Adventure Cubs will travel to a new region of the world to explore the animals and environments there! The purpose of each program is to expose young children to a new type of environment, and start drawing connections between different habitats and the animals that live there. For each adventure they go on, Adventure Cubs will engage in an activity, read a story, and create an entry in an Adventure Cubs Memory Book.

What you need to know:
- Time: 10-11:30 a.m. on pre-set dates.
- Advance registration required.
- Program registration includes zoo admission.
- Payment in full is required at time of reservation; reservations and payment required at least one week in advance of program date.
- A paid adult must accompany child(ren)
- Strollers are welcomed and encouraged as we will spend most of our time exploring the Zoo
- Family Programs are subject to cancellation if minimum number of participants is not met. Call 404.624.5822 with questions or email education@zooatlanta.org.
- Programs will take place rain or shine. Please be sure to dress accordingly. In cases of heavy rain or extreme cold, we will move the program inside.

Directions to Adventure Cubs
Please park in the Cherokee Avenue parking lot and enter through the main Zoo Entrance. Check-in with the front gate who will have your name and your child(ren)'s name on the guest list. Once inside the zoo, please meet your Educator at the main playground under Tree Top Trail. We will begin the program at 10am.
